

# BAND TOGETHER

Build teamwork or bond relationships with these engaging group activities

**Center for Organizational Advancement** (full day)  
Embark on a journey in experimental learning with a fully customizable team building experience. Tackle their outdoor ropes and challenge course or engage in their multi-purpose center with high and low problem solving elements.

**Camp Minikani** (full day)  
152 acres in the Kettle Moraine State Forest welcome year round experiences catered to your needs. With popular activities like volleyball and softball, high and low ropes course, maple syruping and archery ... the opportunities are endless!

**Rock the Adventure** (half day)  
Participate in this dynamic team learning environment suited for all ages and abilities. From scaling the walls at their indoor facility to climbing a real rock face at a state park – the adventure rocks!

**Prairieville Park** (half day)  
Pick teams and compete for the lowest par at this entertainment center with the 18-hole adventure mini-golf. After battling the greens hone your skill at one of the five batting cages with slow and fast pitch machines or give the bumper cars a go!

**Live in the Night**  
Clanking of glasses, dimming lights and toasting the day! Two walkable communities offer a variety of nightlife options for a great pub crawl, check out the pubs dotted along the lake or in Historic Downtown Waukesha.

**Rock the Greens\*** (half day)  
With accolades from *Wisconsin Golf* and *Golf Digest*, Waukesha County boasts 27 golf courses filled with undulating greens and fairways built on natural rolling terrain and challenging water hazards suitable for beginners and experts alike.
